

Factors in Educational Experience: Chicago

INDICATORS	STABLE schools n=255 (median)	DIFFERENCE	HIGH CHURN schools n=125 (median)
Mobility	7%	3.4 times	24%
Chronic Truancy	15%	2.7 times	41%
Homeless Students	2%*	5 times	10%

* Schools must have 10 or more students for reporting. Only about 20% of stable schools report homeless student populations compared to over 90% for high-churn schools.
